About Interconnect

We are a marketing and website solution company that provides a user friendly service to help you create your own website and advertise your business. Our team is here to assist you from start to finish, from the initial meeting through the launch of your website. We work together with you to help you choose a web level that best suites your business needs.

Interconnect is an easy and affordable way to advertise your business. Cost is the number one reason why people do not have a professional looking website. Our service allows you to keep your websites information current and up to date. **You are free to change any information or make any updates on your website with no extra cost!**

We offer a number of different

[features](#)

including; image galleries, menu and wine list, pricing menu, calendar and events, mass email to your clients, weekly or monthly coupon options, and many more to help personalize your site.
